GARRY SOUTH OF MILES CITY IS NAMED  
TO BLUE RIBBON EDUCATION COMMISSION

MISSOULA--

Garry D. South, 22, Miles City, 1973-74 president of the Associated Students of the University of Montana, Missoula, has been named to serve as a member of Montana's Blue Ribbon Commission on Postsecondary Education by Gov. Thomas L. Judge.

The commission, established during the last state legislative session to investigate Montana's postsecondary education systems from vocational-technical centers to graduate schools, was funded with \$300,000.

Judge said in a letter to South requesting him to join the commission that he hoped the commission of 30 would present a series of recommendations to effect significant changes and improvements in the postsecondary education system. He noted that the commission's recommendations would go to the State Legislature, the Board of Regents and the governor.

South said he would serve on the commission until it expires Jan. 1, 1975.

Former Montana Lt. Gov. Ted James was appointed chairman of the commission.

South, a senior in history and political science at UM, is a June 1969 graduate of Custer High School, Miles City. He has served during the past year on the Student Facilities Board and Curriculum Committee and he also has been a member of the Student Union Board.

South is son of Mr. and Mrs. Vernon D. South, 601 Missouri, Miles City.
